1. BACKGROUND INFORMATION

It is the desire of the Tobago House of Assembly, The Division of Sport and Youth Affairs to conduct business in an environment, which is conducive to meeting the needs of the people of Tobago, employees of THA, stakeholders, customers and visitors alike. The Administrator of the Division of Sport and Youth Affairs, Tobago House of Assembly is desirous of hiring contractors for the **SPORTS FACILITY LIGHTING PROGRAMME 2019** at various sports facilities/playgrounds in Tobago.

The Division shall conduct its procurement process in accordance with procurement best practice to ensure integrity, accountability, good governance, transparency and value for money. In this tender reference to the words “WP” means **Work Package**.

2. SCOPE OF WORKS

The scope of works for the various Work Packages for this tender is annexed as **Schedule I (a). Schedule II** contains the detailed bill of quantities for each work package.

The contractor scope for this tender shall also include –

- (a) The contractor shall supply all required expertise, labour, tools, equipment, material and services required to provide and complete this scope of work according to specification and standard set by the authorized agent of the Division.
- (b) Liaise with relevant agencies to obtain all relevant approvals from statutory agencies including the Electrical inspectorate where necessary and ensure all works are done in accordance with any national electrical codes, law and or regulations.
- (c) All unwanted apparatus should be discarded from project site.

3. SCHEDULE

The Firm must be able to commit to undertake the works within a **two (2) month period**. Where any tenderer is awarded more than one WP, the period shall run concurrently.

4. **FORMAT OF TENDERS**

- (a) Tenders shall comprise a **Single-Envelope System**, this means a single envelope containing both the financial and technical/quality information for evaluation.
- (b) Alterations or erasures on any tender shall be initialled by the Tenderer or, in the case of a company, partnership or firm, by a duly authorized officer or employee of such company, partnership or firm.

5. **ELIGIBILITY**

- (a) This tender is geared towards predominantly electrical contractors. Tenderers are eligible to bid as individual tenderers. A margin of preference of 10% shall apply to Tenderers ordinarily resident in Tobago to assist the local business community to become competitive and efficient suppliers to the public sector.
- (b) No joint venture arrangements are applicable to this tender.
- (c) Where there are any firms with inter- locking Directors only one of the firms with such Directors shall be permitted to tender.

6. **MARGIN OF PREFERENCE**

A Margin of preference of 10% of the financial submission shall be applicable to suppliers and or contractors ordinarily resident in Tobago, to promote local content, employment, economic and social development in the island of Tobago. From the shortlist of substantially responsive firms, if a Tobago supplier's financial proposal is maximum 10% higher than the financial submission of a supplier in Trinidad, the Tobago supplier shall be considered first notwithstanding the fact that the Trinidad supplier's price may be lower.

7. **INSTRUCTIONS TO TENDERERS**

Tenderers are advised to read these instruction very carefully, since failure to abide by same may result in automatic rejection.

- (a) Tenders, are allowed to bid for a **MAXIMUM** of **THREE (3)** Work Packages **ONLY**, this includes either **ONE, TWO OR THREE** Work Packages, but **no more**.

- (b) Tenderers are advised that if they cannot meet the experience requirement in demonstrating works of a similar nature they shall **not** be considered.
- (c) Tenderers are advised to bid for packages in which their price submission is commensurate with the experience requirements.
- (d) Tenderers are to extract the corresponding Bill of Quantities in Schedule II, for the work packages that they are interested in and **only** fill out those Bill of Quantities for submission and place them in **ONE (1)** tender package.

8. SUBMISSION INSTRUCTIONS

Tenderers are to only submit documents requested in a neat format with each section properly separated and tabbed together with a table of contents for ease of access **in the order stated hereunder**. **All submissions must be binded.** The Division reserves the right to reject any tender that has not been properly binded, tabbed, in an order different from that stated below or submission of any loose pages etc.

- (a) **A cover page** outlining the name of the Tenderer, the WPs bidded for, the sum proposed in words as reflected on the Bill of Quantities (VAT to be written separately) for each WP, date and signature of person making submission on behalf of the Tenderer.
- (b) **Certificate of Incorporation, Notice of Directors, Notice of Registered office of entity and a recent Utility bill (6 months)** demonstrating evidence of Tenderers location. Where any utility bill is not in the name of the tenderer, such as where the tenderer is a tenant or licensee, a letter from the person whose name appears on the utility bill certifying that the Tenderer is a lessee or licensee.
- (c) **TWO (2)** previous and or current letter(s) of award/**signed** contracts/purchase orders preferably from Government agencies demonstrating that the Tenderer has undertaken works of a similar nature of at least 50% (average) **EACH** of the highest priced WP **OR ONE (1)** letter of award/signed contracts/purchase orders from Government agencies demonstrating works of a similar nature **equal to or more than** the highest priced WP;

Where any past experience contract is submitted from a private company or a private individual it **MUST** be proved, by being accompanied with a Statutory declaration from the client on whose behalf the work was undertaken. The declaration must come from the client and **not the Tenderer** and be notarized by a Commissioner of Affidavits.

The statutory declaration shall be in a format as prescribed by **Schedule III (a) – company** or **Schedule III (b) – private individual**.

The Division shall make enquiries and or visits to ensure the validity of the works represented in the contract and any Tenderer found to be misrepresenting any facts shall be summarily rejected, without notice.

Similar experience shall be construed restrictively and be similar or closely aligned to the works require in this tender, generally electrical upgrades to streetlights or playing field lights. Hence similar experience closely aligned shall be given preference.

- (d) **List of Key technical personnel** proposed including roles and responsibilities, relevant skills, qualifications. Attach CVs and academic certificates or any special licenses (wireman's license) of key personnel required to undertake the works. *These persons are to be made available for the duration of the project and only substituted with the consent of the THA.*
- (e) **Valid VAT, NIS and BIR** clearance certificates for individual tenderer.
- (f) Tenderer must provide a signed statement committing to performing the work(s) on or before the expiration of a two (2) month period from the date of commencement of works.
- (g) **Priced Bill of Quantities** for the **three (3)** WPs selected - Bill of Quantities **MUST** be signed dated and stamped. Bill of Quantities figures must be written clearly and legibly.

- (h) **No additional information** is to be submitted other than that requested above. Any additional information not requested shall not be taken into account or may result in disqualification.

Tenders must be submitted in sealed envelopes, labelled in **BOLD** letter and addressed as follows.

and deposited in the tender box (Box Opening dimensions are approx. 14” long x ¾” wide) located on the Ground Floor of the Division’s Main Office Building at aforementioned address on or before ~~the 15th November 2018~~ **3rd December 2018**

Tender Box closes at 3:00p.m.

Tenders shall be opened shortly thereafter. All tenderers or their authorized representative are invited to be present for the opening.

- (a) **ONE (1)** tender package which shall contain the bids for its **THREE (3) WPs** in the form of the relevant bill of Quantities.
- (b) Tenderers **MUST** make four (4) copies of the one tender package above, for a total of five (5) packages. Where the five (5) packages can fit in one (1) envelope this is preferred. If the five (5) packages cannot fit in one (1) envelope, Tenderers can place them in two (2) envelopes. The aim is to use the minimum number of envelopes possible, but ensuring the Division obtains five (5) copies.
- (c) The original package must be stamped **ORIGINAL**.
- (d) Envelopes must be properly sealed with the Tenderer’s returning address and contact number at the back of the envelope.

Tenderers **MUST** also affix their company’s seal at the front of the Envelope, the Cover Letter and the Bill of Quantities (Schedule II), and duly signed by the Tenderer.

9. EVALUATION CRITERIA

Selection criteria

Ser	Criteria	Score	Evidence
1	Cover Page outlining WPs bided for	Pass/Fail	
2	Submission of – (a) Certificate of Incorporation/registration, (b) Notice of Directors, (c) Notice of registered address and (d) Utility bill	Pass/Fail	<u>Certificates/Notices</u>
2	Experience	Pass/Fail	<u>Two (2) previous contracts/letters or award/purchase order</u> of works of a similar nature preferably Government of at least 50% <u>each</u> of the cost proposed in the highest priced WP or <u>ONE letter of award/signed contract</u> demonstrating a sum <u>equal to or more than</u> the sum proposed in the highest priced WP. Past works undertaken for any private company or private person <u>must</u> be accompanied by a statutory declaration in a format prescribed by Schedule III (a) or III (b). The contract must be annexed to the statutory declaration. The statutory declaration must come from the

			client on behalf of whom the works were undertaken.
3	Adequacy of key personnel	Pass/Fail	List of key personnel, roles and responsibilities, CVs, Academic certificates and wireman licenses
4	VAT, NIS, BIR compliance	Pass/Fail	Certificates
5	Signed Statement	Pass/Fail	Statement committing to undertake works within a two (2) month period

Tenderers that have not passed the above requirements, shall **not** be considered.

Award criteria

Decisions to award shall be made on price submissions. Where in the opinion of the evaluation committee, the price quoted by the successful tender is abnormally low, the Division shall request in writing details of the submission that gives rise to concerns as to the ability of the Tenderer to perform the procurement contract. Where the Division having taken into account the information provided by the Tenderer pursuant to its request and is still of the opinion that the price quoted is abnormally low, the Division may reject the submission as abnormally low. A margin of preference of 10% shall lie with Tenderers ordinarily resident in the jurisdiction of Tobago. Therefore, if a Tenderer from Trinidad has the lowest price that is not abnormally low, a Tobago supplier is permitted to be in excess of that lowest price by as much as 10% to be the successful tenderer.

This tender provides for multi – contract tendering and therefore different or the same tenderer can be awarded contracts for various WPs up to a maximum of **three (3) WPs**. Tenderers may be restricted on awards based on past experience capability. The Division reserves the right to cancel the tender for any individual WP independently of the other work packages, where it does not have the authority, legal or otherwise to enter into a procurement contract, or where there is any evidence of collusion, bid rigging or lack of competition.

10. SITE VISITS

Site visits shall take place on the **1st November 2018** where all interested Tenderers shall gather at the **Plymouth Hard Court at 1:30p.m** in accordance with **Schedule I. Site visits are mandatory**, save and except, for those Tenderers who already did the site visits in the previous tender which was cancelled. As long as the Tenderer has had the opportunity to inspect and of which (whether he has inspected the same or not) he shall be deemed to have full knowledge.

11. WAIVER

The Division retains a separate right to waive irregularities in the tender submission if in the Division's discretion such irregularities are of a minor technical nature or relate to defects or of it is in the best interest of the THA to do so.

Where documents submitted by the tenderer are materially and patently incomplete or inaccurate, the Division has the discretion to request the incomplete or inaccurate document for same to be being remedied by the tenderer within three (3) days of a request being made by the Division. Where any statutory document and or insurance certificates are not up to date or absent, the Division **may** exercise a discretion to permit the tenderer to provide same within a reasonable time period of being requested to do so by the Division.

The Division retains a general right to relax or waive any of the tender requirements, whether it be material or not, so long as waiving such requirement is not unfair to any tenderer who "but for" the waiver, would have submitted a different offer and shall not be prejudicial for any tenderer.

12. REQUESTS FOR ADDITIONAL INFORMATION

Tenderers requiring a clarification of the bid documents **MUST** do so by contacting the Procurement Unit **ONLY** by sending email to the following email address: candy.parks@tha.gov.tt. Replies to any request for clarification or additional information (including all previous requests) shall be circulated to all parties participating in this tender process, by publication on the THA's website, www.tha.gov.tt. Tenderers are therefore advised to constantly monitor the website for any notices, amendments, clarifications etc.

13. TERMS OF PAYMENT

Upon the successful completion of works and the subsequent issuance of the completion certificate by the Division's project manager, all other monies shall be paid to Tenderer within thirty (30) days, but no later than sixty (60) days after the submission of the invoice to the Accounting Department. The Division shall retain ten (10%) on each payment made to the Tenderer, with the retention being paid upon the expiration of a three (3) month period, or the period during which any defects are remedied, whichever one is longer. Tenderers are advised that there is the possibility that no mobilization payments shall be made.

14. BID VALIDITY PERIOD

Bids shall be valid for a period of at least ninety (90) days as per the tender submission.

15. NO CONTRACTUAL OBLIGATIONS

This is an Invitation to Tender. No contractual obligations will arise between the Division and any Tenderer until and unless Division and a Tenderer enters into a formal, written contract for the Tenderer to provide the services contemplated in this Tender Document. The Tenderer agrees that while the offer is made in accordance with the provisions of this invitation to treat, the Division reserves the right to vary, negotiate and or amend contractual terms, with mutual consent of the Division and the successful tenderer.

16. CONTRACT

Any contract entered into between the Division and the successful tenderer shall incorporate the material contract terms with respect to price, duration, scope, specifications and quality of work. All other contract terms shall be mutually agreed by the parties to the contract. Contracts shall be entered into with successful tenderers by individual Work Packages.

17. PERFORMANCE BOND

Successful tenderers may be required to execute a performance bond to the value of 10% of the contract sum, from a reputable financial institution in favor of the Division, as a condition precedent to the execution of the contract. The form and manner of the format of the performance bond shall be issued to the successful tenderer by the Division.

18. LATE TENDERS

Late tenders will not be accepted under any circumstances. The Division reserves the right to reject any or all tenders, in whole or in part, to negotiate changes in the scope of services and waive any technicalities as deemed in its best interest. Further no applications for extensions of time shall be granted under any circumstances and Tenderers are advised not to make any such applications.

19. NO CLAIM FOR COMPENSATION

Except as expressly and specifically permitted in this Tender document, no Tenderer shall have any claim for any compensation of any kind whatsoever, as a result of participation in the ITT, and by submitting a tender each Tenderer shall be deemed to have agreed that it has no claim.

20. INDEMNITY

Tenderers in submitting a tender commits to indemnify the THA, its employees, agents and or servants, or other lawful invitees on the THA premises of any loss, bodily injury and damage to property due to any act of neglect or default of the successful bidder, its agents, employees and or servants.

21. CONFLICT OF INTEREST

The Division will ensure there is no Conflict of Interest in this tender. As such, any direct family relationship involving Tenderers and Members of Division's Management and Staff must be fully disclosed. A member and/or officer of the Division or the relative of any such person shall not tender for the supply of items and or services stated herein. For the purposes of this tender the term "*relative*" means the father, mother, brother, sister, son or daughter of a person and includes the spouse of a son or a daughter of such person.

22. RIGHTS OF THE DIVISION

In addition to the rights expressly hereinbefore referred to, the following additional rights accrue -

- (a) The Division reserves the right to reject any or all bids without limiting the generality of the foregoing, a Bid will be summarily rejected if it is conditional, if it is incomplete,

obscure, or irregular, if it has erasures or corrections in the Cost Schedule, or if it has unit rates that are obviously unbalanced.

- (b) The Division reserves the right to reject a Bid, which does not provide satisfactory evidence that the proponent has the technical, physical and financial resources to complete the work within a specified contract period. Further, the Division does not have any obligation to inform the affected proponent or proponents of the grounds for the action or reject any bid and to annul the bidding process and reject all bids, at any time prior to Award of Contract, without thereby incurring any liability to the Division.
- (c) The Division may declare the bidding void when none of the bids meet the intent of the specifications or when it is evident that there has been a lack of competition and or that there has been collusion. In addition, all bids may be rejected if they are substantially higher than the official budget approved by the Division.
- (d) The Division does not bind itself to accept the lowest or any offer or to reimburse proponents for any expenses incurred in bidding.
- (e) The Division reserves the right to cancel this tender at any time and has no obligation to provide any reasons for such cancellation.

23. GOVERNING LAW

All applicable laws in the Republic of Trinidad and Tobago will apply to any resulting agreement.
