The Division of Infrastructure, Quarries and the Environment (DIQE) of the Tobago House of Assembly (THA) hereby invites all legally registered vendors with the Registrar General and with the Procurement Control Office to participate in the Community-Based Infrastructure Development Program as follows:

1. **Drainage Systems Construction**
2. **Reinforced Concrete Walkway Construction**
3. **Reinforced Concrete/Blockwork Short Retaining Wall Construction**
4. **General Building Construction**
5. **Ironmongery Installation**
6. **Landscaping & Tree Cutting**
7. **Demolition and Excavation**
8. **Engineering Surveying**
9. **Signage**
10. **Lighting (including solar)**
11. **Plumbing & Electrical**

Interested vendors should send an acknowledgement email to diqe.cbid.tenders@tha.gov.tt with the following information:

- **Company Name**
- **Address**
- **Contact number**
- **Category of Interest (only 1 category per vendor)**

Only Vendors that are pre-qualified at the PCO between 50,000 – 250,000 are eligible to participate in this program. As far as is possible and is otherwise decided by DIQE, vendors who are engaged will only work in their registered address.

The aim of this program is to provide much needed infrastructural works and other services within local communities while building the capacity of those vendors duly registered and operating within these communities.

Interested vendors **MUST** express their interest to participate in this program on or before October 11th, 2021 at 2:00 pm.

For more information contact: Procurement Control Office at **639-3421 Ext. 1021**
