

PUBLIC NOTICE

The Division of Infrastructure Quarries and Urban Development wishes to advise the suppliers and contractors who do business or are willing to do business with the Division of Infrastructure, Quarries and Urban Development, that the Public Procurement and Disposal of Public Property Act (PP&DPPA) of 2015 has been proclaimed on **April 26th 2023**.

All suppliers and contractors **MUST** be registered on the Office of the Procurement Regulator's (OPR) depository of Trinidad and Tobago which can be accessed on their website at <https://depository.oprtt.org/Account/Login?ReturnUrl=%2f>

Each supplier and contractor is solely responsible for registering and ensuring the accuracy of the information they present on the website according to Section 26 (3) of the Public Procurement and Disposal of Public Property Act (PP&DPPA) of 2015

Please be guided that **Only** pre-qualified suppliers or contractors registered in the Procurement Depository will be invited to participate in procurement proceedings.

We strongly advise all suppliers and contractors to carefully read the regulations and comply with the requirements outlined above. Failure to adhere to these guidelines may result in disqualification or other penalties.

All Suppliers and Contractors must contact the Office of the Procurement Regulator (OPR) directly to answer any queries or to request any assistance in registering as a supplier/contractor at support@opr.org.tt 1-868-627-4OPR/1-868-226-4OPR
